Curriculum Vita

**MICHAEL FERRARI, Ph.D.**

Professor  
Department of Human Development and Family Studies  
College of Education and Human Development  
University of Delaware  
Newark, Delaware 19716

PHONES: (302) 831-8566;  
FAX (302) 831-8776;  
e-mail addresses - [mferrari@udel.edu](mailto:mferrari@udel.edu)

ADVANCED DEGREES

Ph.D. Psychology - Rutgers University, (1982)  
M.S. Psychology - Rutgers University, (1980)  
B.A. Psychology - State University of New York - Stony Brook, (1978)

CLINICAL AND RESEARCH FELLOWSHIPS AND TRAINEESHIPS

Clinical Fellow - Neuropsychology (1990 - 1991)  
Johns Hopkins University School of Medicine  
Department of Psychiatry and Behavioral Science

Fellowship - Psychology (1980 - 1982)  
Rutgers University, Psychology Department

Internship - Pediatric Neurology (1980 - 1981)  
Departments of Pediatrics and Neurology  
Rutgers Medical School & Middlesex General Hospital

Predoctoral Fellowship - (1979 - 1980)  
Institute for the Study of Exceptional Children  
Princeton, New Jersey

ACADEMIC APPOINTMENTS

Full Professor (2007-present)  
Human Development and Family Studies  
Department of Psychology  
University of Delaware

Associate Professor (1985 - 2007)  
Department of Individual and Family Studies  
Department of Psychology  
University of Delaware

Interim Chair (2001-2002)  
Department of Individual and Family Studies

Assistant Professor (1982 - 1985)  
Department of Individual and Family Studies

#### ACADEMIC AWARDS AND HONORS

Excellence in Teaching Award (2013)  
College of Education and Human Development

Graduate Faculty Award (2003)  
Department of Individual and Family Studies

Faculty Appreciation Award (2002)  
Sigma Kappa Honor Society

Outstanding Faculty Member (1999)  
Undergraduate Student's Award  
College of Human Services, Education and Public Policy

Outstanding Faculty Award (1994)  
Kappa Omicron Nu Honor Society

Visiting Scientist in Psychiatry (1991 - 1993)  
Department of Psychiatry & Behavioral Sciences  
School of Medicine  
The Johns Hopkins University

Professor of the Year (1985)  
College of Human Resources

Rutgers Fellow (1980 - 1982)  
Department of Psychology, Rutgers University

#### CLINICAL APPOINTMENTS AND CONSULTATION

Medical-Dental Staff - Christiana Care Health Services  
Formerly Medical Center of Delaware  
Medical Staff Member - Department of Psychiatry (1986 – present)  
Department of Pediatrics (1985-1997)

Consulting Neuropsychologist  
Division of Vocational Rehabilitation  
State of Delaware (1985-present)

Clinical Neuropsychologist (1993 – 1997 and 2009 - 2014)  
Department of Psychiatry  
Center for Rehabilitation  
Christiana Care Health Systems

Consulting Psychologist (1985 - 1993)  
Department of Psychiatry & Department of Pediatrics  
Also Co-director Adolescent Day Hospital and First State School (1985 - 1992)

Medical Center of Delaware

Consulting Psychologist (1987 - 1994)  
Meadow Wood Hospital New Castle, DE

Consulting Psychologist (1990 - 1995)  
Rockford Center, Newark, DE

Consulting Psychologist (1987 - 1993)  
Peer Review Committee - Program for Autistic Persons  
Department of Public Instruction, State of Delaware

Consulting Psychologist (1983 - 1986)  
Newark Family Counseling Center, Newark, Delaware  
Trainee in Family Therapy (1983 - 1985)

Mental Health Clinician (1981 - 1982)  
Pediatric Neurology, University of Medicine and Dentistry of New Jersey  
Also Adjunct Assistant Professor of Pediatrics  
Rutgers Medical School

#### PROFESSIONAL MEMBERSHIPS AND PROFESSIONAL SERVICE ACTIVITIES

American Board of Professional Neuropsychology (1992 - present)  
National Academy of Neuropsychology (1988 - present)  
American College of Professional Neuropsychology Fellow (1995 - present)

Delaware Psychological Association (1984 - 2000)  
International Neuropsychological Society (1990 - 1996)  
Society for Behavioral Pediatrics (1987 - 1991)  
American Psychological Association (1980 - 1992)  
APA Division 40 - Clinical Neuropsychology (1989 - 1992)

Past Professional Advisory Committees and Boards of Directors  
Big Brothers/Big Sisters  
Delaware Epilepsy Association,  
Delaware Stroke Initiative  
State of Delaware Traumatic Brain Injury Board

#### PROFESSIONAL LICENSE

Licensed Psychologist - State of Delaware (1985 - present).

#### BOARD CERTIFICATION

Diplomate  
American Board of Professional Neuropsychology (1992 - present).

#### PUBLICATIONS

Ferrari, M. (in preparation). Borderline intellectual functioning: Risk factors, co-morbidities, and the descriptive landscape of a poorly understood segment of the population.

## FUNDED GRANTS

1998-2000 - *A randomized, double-blind, 12 month safety and efficacy study of Idebenone (CV-2619) 360 mg TID or placebo added to treatment with Donepezil HCl 10mg qd in patients with probable Alzheimer's Disease.* Served as co-principal investigator and research neuropsychologist with Lanny Edelson, M.D. Funding provided by Takeda America, Research and Development Center, Inc.

1996-1998 - *A randomized, double-blind, placebo-controlled, four-arm dose finding study investigating the efficacy and safety of three doses of Lu25-109 in patients with Alzheimer's Disease.* Served as Co-principal investigator for Delaware site with Lanny Edelson, M.D. and Stephen Kushner, M.D.) Funded by H. Lundbeck A/S.

1993-1994 - *An investigational study of Mentane (HP 029) for patients with Alzheimer's Disease.* Served as Co-principal Investigator (with Lanny Edelson, M.D. and Stephen DeCherney, M.D.) Funded by Hoechst-Roussel Pharmaceuticals, Inc.

1991-1992 - *An open label multicenter study of DuP 996 in patients with mild to moderate dementia of the Alzheimer's Type.* Served as Co-principal Investigator (with Lanny Edelson, M.D. and Stephen DeCherney, M.D.) for the Delaware site. Funded by DuPont Merck Pharmaceuticals Company.

1986-1987 - *Seizure type, age on onset, and dependency in epileptic children.* Served as Principal Investigator. Funded by General University Research Program.

1984-1985 - *Neuropsychological functioning in children with Tourette Syndrome.* Served as Principal Investigator. Funded by General University Research Program.

1983-1986 - *A consultation and counseling program for persons with Epilepsy.* Served as Principal Investigator. Funded by the Delaware Epilepsy Association and the United Way.

1983 - *Chronic illness: Psychosocial effects on siblings.* Served as Principal Investigator. Funded by General University Research Program.
