

Change of Advisor Form for PhD Students

PhD students in the School of Education (SOE) may use this form to request a change of advisor. Please submit the completed, signed form to the Associate Director of Graduate Studies via the SOE Director's Office.

From the PhD Program Policy: *If the primary advisor cannot continue working with a student through to graduation for any reason, the secondary advisor will assume this role. If the secondary advisor is unable to fulfill this role, the specialization faculty will work with the student to resolve the advisement issue. Additionally, students may change faculty advisors upon their written request to do so, and upon the agreement of the new advisor to accept this student as an advisee.*
